Subj: Relief of Bid on Contract No. 07-288204

Office Engineer:

Pursuant to Standard Specification Section 2-1.47 Bid Relief and Public Contract Code 5100-5110, STL claims that a clerical error was made on our bid for the mentioned project which made our bid materially different than we intended it to be. The mistake was made on filling out the bid and not due to an error in judgment or to carelessness in inspecting the site of work, or in reading the plans and specifications.

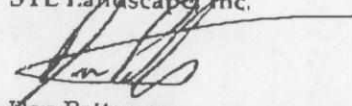

The error occurred on the input for the Plant Establishment that had to be \$450,000 per Addendum No. 1. STL inputted \$150,000, thus making our bid \$300,000 less than intended.

STL Landscape, Inc. respectfully requests to be relieved of the bid.

Please call me with any questions.

Sincerely,

STL Landscape, Inc.

Dan Patterson
Project Manager
